WALLPLATES - CUSTOM INFORMATION

CUSTOM WALLPLATES

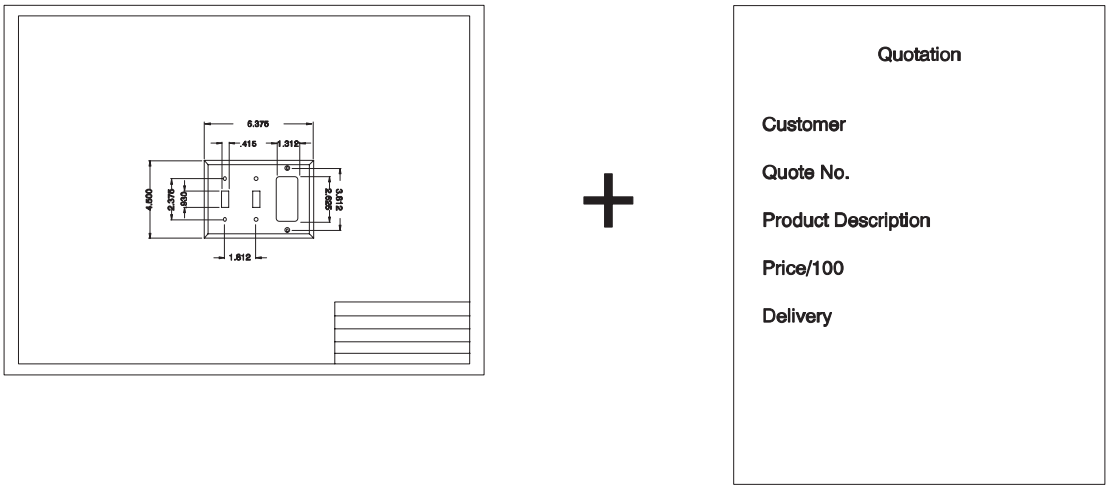
Hubbell Canada LP is the leading manufacturer of custom wallplates. Allow two-weeks lead time when placing an order.

ORDERING PROCEDURE

1. Call 1-877-394-7464 with a description or fax 905-839-2649 with a sketch of the desired wallplate. Please include material type, number of gangs, type of opening(s), and quantity required.

2. A technical drawing and a quotation will be forwarded to you.

3. To place your order, simply approve the drawing with your signature and date, then return it along with the quotation number and your purchase order.



4. A Catalogue number will be assigned once your order is received. The Catalogue number and a description of the opening will be listed on the invoice and the packing slip. A copy of the approved drawing will also be packed with the wallplate(s). The packaging label will include the quantity, catalogue number, material type, bar code information, and a drawing.
